PRAYER STILL NEEDED...

FOR THOSE IN THE PHILIPPINES.

It seems that each year International Aid responds to a natural disaster, either in the United States or abroad. These disasters range from hurricanes, floods, earthquakes, tornadoes, tsunamis, typhoons and more.

The recent Typhoon that hit the Philippines is no different. Thanks to the support of all of our donors, International Aid was able to respond. We processed 5 containers that contained hundreds of pallets of products and shipped it to those who have lost so much during the recent storm.

Although the needs will continue to develop as days continue to move forward, we were able to help with some immediate needs. These containers included many items that are essential to helping those affected by Typhoon Haiyan, to move forward. While other products will still be sent, these items went immediately.

Working with partner organizations that already have feet on the ground in the Philippines, we will be able to distribute these products immediately upon their arrival. Praise God for allowing us to respond in this situation, the product donors for the supplies, and for our monetary donors who give of their resources to help others in these times of great need! Thank you and God Bless You!

Items Shipped Included:
• Cleaning Supplies
• Water
• Bleach
• Masks
• Diapers
• Toilet Paper
• Paper Plates
• Pedia-Electrolyte
• Baby Formula/Food
• Over the counter medicines
• Pharmaceuticals
• Hygiene Kits
• Latex gloves
• Toothbrushes
Because of the generous support of Businesses, Organizations and Individuals, International Aid has been able to do a tremendous amount of work this year. We are blessed to see how God has worked through our ministry. Thank you for choosing to make International Aid YOUR partner ministry. Here is our impact since July 1, 2013:

- **$32 MILLION**
  Amount of aid sent to partners in the areas of greatest need, both in the U.S. and abroad

- **62 COUNTRIES**
  Number of countries that received product from International Aid

- **98 PARTNERS**
  Number of partner organizations that received aid from International Aid

### STEWARDSHIP FOCUS

**1 Corinthians 15:46**

“The spiritual did not come first, but the natural, and after that the spiritual.”

**Money – Material and Spiritual**

God lays the roads from Himself to us in the natural or physical. He descends to us and we ascend to Him through the sense of our nature and the material elements of life...

Some foolish people speak scornfully of money. A mere piece of paper, a bit of metal, they say. But without “hard cash,” how many churches, schools, colleges, seminaries, hospitals, remedial and creative agencies would there be, bringing spiritual, cultural, healing, and recreational value to America and the world? First the natural and then the physical.

I thank God for money; I make no apologies about asking for it, and rejoice in those who give as unto the Lord.

- James W. Clarke

#### Snapshots from our partners serving in the field.

Our partners in Liberia, serving at United Liberia Inland Church Associates and Friends, sent us these photos of their clinic. A few weeks ago we had two visitors from their organization here in our offices. While they were here, they picked up supplies that were then shipped back to Liberia and are now being put to a healing use.

Praise God another great “life-changing” partnership!
Meet Our New Partner Development Manager….Bryony Schultz

On November 20th, 2013, approximately 4,000 Amway employees volunteered to support 15 area non-profit organizations through 22 projects in a 24-hour time period. This day of giving back to the community was to celebrate the 10th anniversary of the AMWAY – One by One Campaign for Children. In just 10 years, Amway Business Owners and employees have impacted the lives of more than 10 million children by volunteering 2.7 million hours and giving more than $190 million for thousands of projects around the world.

This year, International Aid was chosen as one of the area non-profits to benefit from Amway’s generosity. After numerous discussions and meetings to find the best way to give back, a project was agreed upon. Hygiene Kits. A hygiene kit is a 1 Gallon sized bag containing a bottle of shampoo, a bar of soap, a washcloth, a tube of toothpaste, a toothbrush, a comb and a stick of deodorant.

Now to many of us this may seem like a simple project. A few items thrown into a bag and call it done. But needless to say that is far from the case. These kits make a huge impact to those who receive them. Children and families affected by poverty, homelessness, or natural disasters need essential hygiene items, and that’s where these kits come into play. When we began discussing this project with the Amway team, we weren’t sure how or where the kits would be used. But we knew that among our hundreds of partners serving in many different countries that a need for the kits would quickly arise. And to our surprise, that need arrived faster than expected.

On November 8th, 2013, Typhoon Haiyan, one of the strongest storms in recorded history, came across the central Philippines. People were and still are struggling to grasp what they have lost and the challenges they now face. Nearly 620,000 people were displaced, an estimated 10,000 killed and 9.5 million “affected” by this powerful typhoon.

AMAZING THINGS HAPPEN
When we all work together!

Bryony was born in Australia and grew up in Fremont, Michigan. Her passion for missions began soon after she accepted Christ in high school. She graduated from Cornerstone University with Bachelor of Science in Intercultural Studies & Biblical Studies accompanied by a minor in Spanish. During college she served with Sabaoth Ministries and No Surrender Running Club in Grand Rapids, Michigan. Bryony loves to travel – especially where people speak Spanish. Her junior year of college she completed a month-long internship with El Castillo ministries in Guatemala City, Guatemala and has visited Mexico multiple times. Most recently, she again had the opportunity to travel to Los Cabos, Mexico to serve alongside Richard & Rhonda Mead, directors of New Life Outreach. While there she witnessed how the love of the Father has transformed and is transforming the lives of many. In her free time she enjoys worshiping, reading, and being outdoors- minus the bugs. She counts it a privilege to serve alongside International Aid and radically and tangibly demonstrate the love of Jesus to everyone she meets. Bryony can be reached by emailing her at schultzb@internationalaid.org
International Aid is a Christian relief ministry that seeks to tangibly demonstrate the love of Jesus Christ to those who are suffering.

For 33 years, International Aid has equipped servants worldwide with the tools that they depend on to bring healing and restoration to those who desperately need to know the one true healer.

So much of this is done through the distribution of life saving medicines, hygiene products, nutritional supplements and reconditioned medical equipment to hundreds of ministries and humanitarian organizations serving in areas of greatest need.

As a 501(c)3 organization, International Aid has had the privilege of partnering with thousands of like-minded individuals, businesses and associations who give of themselves so that others may be the recipients of a better quality of life.
