Volunteers fill a warehouse at International Aid monthly to help pack Hygiene Kits that are then distributed to a partner serving in the field who has an immediate need to distribute the kits.

VOLUNTEERS HELP PACK HYGIENE KITS...
To help those in need all around the world.

Imagine living in a place where you did not have access to running water and couldn’t bathe or brush your teeth. Now imagine having access to water but not being able to get the products that you need for proper hygiene. The second scenario seems to be the case more often than not for many of the areas in which our partners are currently serving.

This past Spring, International Aid launched a Hygiene Kit Initiative that would involve packing thousands of hygiene kits in the next 12 months to distribute to our partners all around the world.

International Aid’s Hygiene Kit Program helps people who’s lives are torn apart by disaster, illness, or poverty. It’s truly enough for them to focus on staying safe and staying alive during those difficult and trying times. But basic hygiene items can make a really big difference.

Hygiene Kits are life saving consumable goods that our partners can use every day in communities around the world that are suffering or recovering from recent disruptions.

Each hygiene kits contains a bottle of shampoo, a tube of toothpaste, a toothbrush, a comb, a bar of soap, a washcloth and is packaged and sealed in a one-gallon plastic bag.

Because of the generous support of Businesses, Organizations and Individuals, International Aid has been able to do a tremendous amount of work this year. We are blessed to see how God has worked through our ministry. Thank you for choosing to make International Aid YOUR partner ministry. Here is our impact since July 1, 2013:

- **$63 MILLION**
  Amount of aid sent to partners in the areas of greatest need, both in the U.S. and abroad

- **80 COUNTRIES**
  Number of countries that received product from International Aid

- **152 PARTNERS**
  Number of partner organizations that received aid from International Aid

**STEWARDSHIP FOCUS**

**2 Corinthians 8:7**
“But just as you excel in everything – in faith, in speech, in knowledge, in complete earnestness and in your love for us – see that you also exceed in this grace of giving.”

**The Grace of Giving**
What God expects us to attempt he also enables us to achieve, and committed Christians have proved it throughout the centuries. So let us take heart in knowing that the grace of giving is also the grace for giving.

(Hygiene Kits continued)

Volunteers are needed on a regular basis to help us make sure we will always have a prepared stock of hygiene kits in our warehouse ready to ship to an area of need. A small commitment of your time can truly help change someone else’s life.

Kit packing parties are hosted at International Aid monthly and only asks for 2 hours of your time. In the same amount of time that you could watch a movie, you could change someone’s life by packing these hygiene kits. Kit packing is an excellent opportunity for youth groups, senior groups, scout troops, small groups, clubs, businesses, employee volunteer days, school groups, camps, and of course...any individual willing to roll their sleeves up and help make a big difference.

Here in the United States we know firsthand the importance of proper hygiene as we are blessed with access to all the resources that we need to maintain basic hygiene standards. Personal hygiene is one of the top needs for people struggling to obtain reliable sources of food, water and shelter. These Hygiene Kits offer that first line of defense against the spread of illness, a first step toward good health... and they provide dignity in a small bag for those who are suffering. Be a part of the change and partner with us today!

*Together, we can help change lives!*

International Aid is a Christian relief ministry that seeks to tangibly demonstrate the love of Jesus Christ to those who are suffering.

For 33 years, International Aid has equipped servants worldwide with the tools that they depend on to bring healing and restoration to those who desperately need to know the one true healer.

So much of this is done through the distribution of life saving medicines, hygiene products, nutritional supplements and reconditioned medical equipment to hundreds of ministries and humanitarian organizations serving in areas of greatest need.

As a 501(c)3 organization, International Aid has had the privilege of partnering with thousands of like-minded individuals, businesses and associations who give of themselves so that others may be the recipients of a better quality of life.

OUR mission…

THE MISSION OF INTERNATIONAL AID IS TO GLORIFY CHRIST BY PROVIDING MEDICAL AND HEALTH RESOURCES TO GLOBAL PARTNERS SERVING PEOPLE IN NEED.

Through your support of International Aid, you’re already making an incredible impact around the world — providing much-needed medical equipment and health resources to people in need in Jesus’ name.

Now we want to help you also receive great tax advantages, and a guaranteed income for life. It is all possible through a Charitable Gift Annuity (CGA).

As you consider retirement, you may want to give a significant gift now and receive a fixed annual income from the interest of the annuity for the rest of your life.

The chart shows you the kind of return you can expect on your gift, depending on your age. When you go home to be with the Lord, the entire amount goes into ministry.

Thank you for doing good for children and families in need around the world!
