**Our mission:**

We exist to glorify Christ by providing medical and health resources to global partners serving people in need.

**YOUR PARTNERSHIP is integral to our growth and strength and is the reason we are able to make remarkable strides in the health and well-being of some of the poorest and most vulnerable areas around the world.**

---

**For every $1 you donated we shipped approximately $20 worth of medical equipment, supplies, or healthcare resources totalling:**

$24M shipped

+ 108 partners

+ 51 countries

We work to provide the most appropriate medical equipment that will sustain the longest life possible. This is uniquely accomplished by our experienced on-staff biomedical technicians.

Some of the items shipped during FY19 include:

- Inicators - CURE Zambia, Niger, Ethiopia
- Surgical Large Sterilizers, Operating Room Tables - Niger
- Ultrasound Machine and Printer, X-Ray System - Uganda
- Industrial Washer - Ethiopia

We work to provide basic medicine, nutritional supplements, and personal care items that are essential to good and improved health.

Last year we shipped:

- 18,228 Hygiene Kits - Distributed in response to Hurricane Florence & Michael (FL, VA, NC), the West Michigan Community Give Back event, Hurricane Idai (Malawi), and the Guatemala volcano eruption.
- 991 CURE Care Kits - Malawi

We provide access to basic medicine, nutritional supplements, and personal care items that are essential to good and improved health.

With more than 29 years of experience in providing aid, we stand ready to respond to natural disasters out of compassion for the people who suffer such great loss.

In FY19 we provided relief aid in response to:

- Hurricane Florence Cat 1 hurricane that caused severe flooding in NC & VA
- Hurricane Michael Cat 5 hurricane that hit the FL panhandle
- Cyclone Idai Caused severe flooding in Mozambique, Malawi, and Zimbabwe

**Effective July 1, 2019, International Aid became a distinct, wholly-owned subsidiary of CURE International.**

International Aid has been providing CURE hospitals with medical equipment and biomedical technology support for more than 20 years. We are uniquely able to serve CURE hospitals with reliable, updated medical equipment and training that they desperately need. Not only are we providing much-needed equipment and training, but we also get to see the love of Jesus in action through the dedicated spiritual ministry teams at every CURE hospital. CURE offers life-changing surgery and the hope of the gospel to children with treatable conditions, and we are thrilled to be a part of the CURE family. Visit cure.org to learn more.
